

**Rape is a crime against gender and should not
be tolerated in a civilized society...**

7/26 candlelight march

Assembly Time: 6:00 PM, Koza Music Town

Candlelight March starts at 7:00 PM

Please wear white and bring candles.

We Care! Filipinos, Japanese & Americans in Okinawa support the cry for JUSTICE for “HAZEL”, a 21-year old Filipina...a victim of rape by an abusive U.S. military soldier.

WE CARE because we believe her and we are promoters of JUSTICE and PEACE!

We Care to all women who were victims of sexual violence.

Sexual Violence is Violence, No matter who is the Victim, No matter who is the Perpetrator.

Let Hazel be the last in a long list of victims of gender violence in Okinawa. JOIN US in a candlelight march in support of Hazel and other victims of rape and sexual assault.
